12. **AUDITORS' REPORT**

• **STATUTORY AUDIT REPORT**

S. NO	AUDITORS REMARKS	DIRECTORS REPLY
1	<p>Basis of Qualified Opinion i</p> <p>Attention is drawn to Note 6 to the financial statement, "Other noncurrent assets-MAT Credit Entitlement" that the Company continue to recognise minimum alternatives tax paid in previous years amounting to Rs 25,20,258 as asset and expects the same to be adjusted against future tax payment. In our view considering the past history of losses, which is resulting into negative net worth of the Company and overall financial position of the Company, it is not prudent on part the company to recognise the same as assets, and the same is not in consonance with provisions of "Guidance Note on accounting for credit available in respect of Minimum Alternative Tax under the Income Tax Act, 1961".</p>	<p>The Company is confident of starting a new venture within this current financial year and hopes to adjust the same against future tax liabilities.</p>

Rest of the observations of the auditors on the Financial Statements including relevant notes on the accounts are self-explanatory and therefore do not call for any further comments.

During the year under review, the Auditors had not reported any matter under Section 143(12) of the Companies Act, 2013 therefore no detail is required to be disclosed under Section 134(3) of the Act.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Forward Looking Statement

Forward-looking statement reflects the current expectations regarding future results of operations. Actual results, performances or achievements could differ materially from those expressed or implied in such forward-looking statements. Shareholders are cautioned not to place undue reliance on these forward-looking statements that speak only as of their dates. This Report should be read in conjunction with the financial statements included herein and the notes thereto.

Business Overview

During the year under review the Company started a new activity in **IT AND DEVELOPED A Health APPLICATION APP for Star Medical Healthcare**. Further the Company has also received the next order from the star Health Medicare which is being developed. Efforts are also being made to foray into new allied activities and in this regard a new manpower team is being created by the company to achieve the desired goal.

OPPORTUNITIES AND THREATS

As you are aware of the current recessionary conditions prevailing in the market coupled with the cut –throat competition, it becomes difficult to grab the new opportunity. Government Policy on relaxing the Foreign Direct Investment limits in the different areas will allow many Multi-National Companies to enter into the Indian Market, which might pose as a probable risk, since the Company will be competing with the International Players as well.

Future Outlook

As it has been already mentioned above the company is exploring new markets keeping in mind the new objects to be undertaken and efforts are being made to initiate the new ventures as early as possible

Risks & Concerns

Every business faces risks involved in its operations, which could be internal as well as external. The external factors like trade war between **China and United States** is affecting every Country's business directly or indirectly. But at the same time the Company is quite hopeful that **Modi 2.0 Government** will leave no stone unturned to increase the consumption and Growth of India by laying out friendly business and Industrial Policies

The Company has a control over its internal factors but may not have much control over such external factors; however it is important to address these risks & concerns to mitigate their overall impact on the business. Realistic risk assessment and Management approach along with the regular monitoring mechanism in the Company ensures that these risks are duly addressed and well managed. High focus on safety of our manpower continuity and proactive Management of related business environment are essential for the risk management in the overall supply chain and business in general.

Internal Control System & Their Adequacy

The Company has adequate system of internal controls to ensure that all activities are monitored and controlled as well as transactions are authorized, recorded and reported correctly. The Company has effective budgetary control system and the actual performance is reviewed with reference to the budget periodically by the Management. The Company ensures adherence to all internal control policies and procedures as well as compliance with all regulatory guidelines, which are supplemented by internal audit regularly. The Audit Committee of the Board meets on quarterly basis and reviews the internal control systems as well as financial statements.

Human Resources/Industrial Relations

The company lays due emphasis on sound Human Resource Management practices and appraisal systems with focus on cordial employer-employee relations to ensure higher level of productivity and operational efficiency. Adequate efforts have been made to strengthen and develop its human resources as a key strength through continuous training inputs and focused development plan.

INDEPENDENT AUDITORS' REPORT**TO THE MEMBERS OF ANKA INDIA LIMITED****REPORT ON THE STANDALONE FINANCIAL STATEMENTS**

We have audited the accompanying standalone financial statements of Infosys Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Basis for Qualified opinion:

- i) Attention is drawn to Note 6 to the financial statement, "Other noncurrent assets-MAT Credit Entitlement" that the Company continue to recognise minimum alternatives tax paid in previous years amounting to 25,20,258 as asset and expects the same to be adjusted against future tax payment. In our view considering the past history of losses, which is resulting into negative net worth of the Company and overall financial position of the Company, it is not prudent on part the company to recognise the same as assets, and the same is not in consonance with provisions of "Guidance Note on accounting for credit available in respect of Minimum Alternative Tax under the Income Tax Act, 1961".

Emphasis of Matter:

We refer to Note- 23 to the financial statements regarding Company's ability to continue as Going Concern and managements plan's to deal with these events or conditions.

The Net worth of the company is negative and the company has past history of losses. There was no business transacted during the financial year 2018-19. These events or conditions indicate that material uncertainty exists and may cast significant doubt on entity's ability to continue as going concern.

Our opinion is not modified in respect of above said matters.

Management's Responsibility for the Standalone IND AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.

- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. The Company has not required to transfer any amount, to the Investor Education and Protection Fund.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE A TO THE AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Anka India Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ANKA INDIA LIMITED** ("the Company") as of 31 March, 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. I conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, to the best of our information and according to the explanations given to me, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

Notes to the financial statements

For the year ended March 31, 2019

(₹ in Lakhs, except share and per share data, unless otherwise stated)

1) THE COMPANY OVERVIEW:

Anka India Limited, is a Public Limited Listed Company incorporated and domiciled in India. The address of its registered office is Gurgaon, Haryana, India. The Company is engaged in the business of Trading of goods.

2) BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

Statement of compliance and basis of preparation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time, the provisions of the Companies Act, 2013 ("the Companies Act") as applicable and guidelines issued by the Securities and Exchange Board of India ("SEBI").

Up to the year ended March 31, 2017, the company prepared its financial statements in accordance with the requirements of the Indian GAAP ("Previous GAAP"), which included Standards notified under the Companies (Accounting Standards) Rules, 2006. The date of transition to Ind AS is April 01, 2016.

Accounting policies have been applied consistently to all periods presented in these financial statements.

The financial statements correspond to the classification provisions contained in Ind AS 1 "Presentation of Financial Statements". For clarity, various items are aggregated in the statements of profit and loss and balance sheet. These items are disaggregated separately in the notes to the financial statements, where applicable.

All amounts included in the financial statements are reported in lakhs of Indian rupees except share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

Basis of measurement

These financial statements have been prepared on a historical cost convention and on an accrual basis, except for the following material items which have been measured at fair value as required by relevant Ind AS;

The defined benefit asset (liability) is as the present value of defined benefit obligation less fair value of plan assets and Financial instruments classified as fair value through profit or loss.

Use of estimates and judgment

The preparation of the financial statements in accordance with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates.

3) SIGNIFICANT ACCOUNTING POLICIES**(A) Current and non-current classification**

The assets and liabilities reported in the balance sheet are classified on a "current/ noncurrent basis".

(B) Revenue recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

(C) Employee Benefits:**Defined contribution plans**

Contributions to defined contribution schemes such as employees' state insurance, provident fund, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The Company is a member of recognized Provident Fund scheme established under The Provident Fund & Miscellaneous Act, 1952 by the Government of India. The Company is contributing 12% of Salary & Wages of eligible employees under the scheme every month. The amount of contribution is being deposited each and every month. The contribution paid or payable under the scheme is recognized during the period under which the employee renders the related services. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

Defined Benefit Plans

In accordance with the Payment of Gratuity Act, 1972, applicable for Indian companies, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The gratuity fund is managed by the third party funds. The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. The Company recognizes actuarial gains and losses in other comprehensive income, net of taxes.

Other Employee Benefits

Other employee benefit obligations are measured on an undiscounted basis and are recorded as expense as the related service is provided.

The company has performance incentives for all employees as per the policy of the Company.

(D) Income Taxes:

Tax expenses for the period, comprising current tax and deferred tax are included in determining the net profit for the period. Provision for current tax is made based on tax liability computed after considering tax allowances and exemptions. Deferred tax is recognized in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. A deferred tax liability is recognized based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognized only to the extent that it is probable that future taxable profits will be available against which the asset can be utilized. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realized.

(E) Leases:

Leases in which a substantial portion of the risks and rewards of ownership are retained by the lessor or are classified as operating leases. Payments and receipts under such leases are recognised to the Statement of Profit and Loss on a straight-line basis over the term of the lease unless the lease payments to the lessor or are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, in which case the same are recognised as an expense in line with the contractual term.

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards incidental to ownership to the lessee.

(F) Foreign Currency:**Functional and presentation currency**

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian Rupees (INR), which is the company's functional and presentation currency.

Foreign currency transactions

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in Statement of Profit and Loss and reported within foreign exchange gains/ (losses), net within results of operating activities except when deferred in other comprehensive income as qualified cash flow hedges.

(G) Cash and cash equivalents:

For the purpose of presentation in the Statement of Cash Flows, Cash and Cash Equivalents includes balance with banks and demand deposits with banks with original maturities of three months or less and other short term highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(H) Earnings per Share:

Basic and Diluted earnings/ (loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the balance sheet date but before the date the financial statements are approved by the board of directors.

(I) Inventories:

Inventories consist of raw materials, stores & spares, work-in-progress, stock-in-trade and finished goods. Inventories are valued at lower of cost and net realizable value (NRV) except for raw materials which is valued at cost.

Cost of raw materials and stores & spares includes cost of purchases and other costs incurred in bringing the inventories to their present location and condition.

Cost of work-in-progress and finished goods include direct materials, labour and proportion of manufacturing overheads based on the normal operating capacity, wherever applicable. Cost of finished goods includes excise duty and other costs incurred in bringing the inventories to their present location and conditions.

Cost of stock-in-trade includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. However, materials and other items held for use in the production of

inventories are not written down below cost if the finished products in which they will be used are expected to be sold at or above cost.

(J) Dividend income:

Dividends are recognized in Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

(K) Property, Plant and Equipment (PPE)

Items of Property, plant and equipment acquired or constructed are initially recognized at historical cost net of recoverable taxes, duties, trade discounts and rebates, less accumulated depreciation and impairment loss, if any. The historical cost of Property, plant and equipment comprises of its purchase price, borrowing costs and adjustment arising for exchange rate variations attributable to the assets, including any cost directly attributable to bringing the assets to their working condition for their intended use.

Capital Work-in-Progress represents Property, plant and equipment that are not ready for their intended use as at the reporting date.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The Company identifies and determines cost of each component/part of the plant and equipment separately, if the component/part has a cost which is significant to the total cost of the plant and equipment and has useful lives that is materially different from that of the remaining plant and equipment.

All other repairs and maintenance are charged to the Statement of Profit and Loss during the year in which they are incurred.

Gains and losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.

Depreciation methods, estimated useful lives and residual values

Depreciation is provided on Straight Line method based on the respective estimate of useful lives.

Estimated useful lives, residual values and depreciation methods are reviewed annually, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate.

Advances paid towards the acquisition of PPE outstanding at each Balance Sheet date is classified as capital advances under 'Other non-current assets' and cost of assets not put to use before such date are disclosed under 'Capital work-in progress'.

(L) Provisions and Contingent Liabilities

A provision is recognised when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

(M) Expenditure

Expenses are recognised on accrual basis.

(N) Cash flow statement

Cash flows are reported using the Indirect Method, as set out in Ind AS 7 'Statement of Cash Flow', whereby profit for the year is adjusted for the effects of transaction of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

4) RECENT ACCOUNTING DEVELOPMENTS

Standards issued but not yet effective:

In March 2018, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendment) Rules, 2018, issuing Ind AS 115, Revenue from Contracts with Customers. The standard is applicable from April 01, 2018. The Corresponding Ind AS 18, 'Revenue' and Ind AS 11, 'Construction Contract' have been omitted. Relevant amendments have been made to Ind AS 101, 103, 104, 107, 109, 112, 1, 2, 8, 12, 16, 17, 21, 23, 28, 32, 34, 36, 37, 38 and 40.

The Company has not applied these amendments since they are effective for periods beginning on or after April 01, 2018
